**Discussions:**

The committee discussed other avenues of getting the word out to towers who will not respond back to the board. Mr. Foster states that the board has sent out 1500 contact cards, only half of the towing companies have respond back. Mr. Sawyers asked that 500 more contact cards be printed and sent out with the release of the regulations. Mr. Foster states that the applications need to be complete before the regulations are in effect, and the towers need to be fingerprinted before the release of the regulations.

"Mr. Seibert suggested that the Board investigate placing an advertising insert in the Virginia distribution of Tow Times Magazine and also sending press releases (at no cost) to media outlets in various localities."

**Adjournment:**

There being on further business, Chairman Coleman adjourned the meeting at 11:34 a.m.
